He was a weapon far more dangerous than any he carried with him. He knew most of the time he would be used to further some political aim of Israel, or loaned out to the United States, but today he was working solely on his own. Aaron Weber would appear to be just another kid growing up amidst the bustle and din of the hardscrabble working class communities of Dorchester, Massachusetts, trying to carve out a life for himself and making the most of the diminishing opportunities post-war America had to offer. But, from the time of his birth, Aaron has been earmarked for a role unimaginable to his classmates and neighbors. Aaron s path does not lead to domestic predictability and job security as a public school teacher in a generic Boston suburb. In fact, it leads to the heart of the Negev desert. Here, in Arad, Aaron is being groomed at a secret Israeli training base to become a resolute and precise instrument of death - a skilled assassin in the covert group Masada2, a quasi-government group sanctioned by David Ben Gurion and Israel s founding leaders, and also known to a few select members of the American government. The first installment in a three-part series, Masada 2 Interventions introduces Aaron as a young boy and explores his formative years, at home with his family, and around Dorchester and the North End, and most importantly in the secret confines of Heck House, where his indoctrination commences. This gripping story continues across continents and across decades, spinning out in a thrilling culmination, as the aftermath of the Black September terror attacks...
