## Commission on the National Guard and Reserves: Transforming the National Guard and Reserves Into a 21st-Century Operational Force

By Commission on the National Guard and Res

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This report is the rst step in a comprehensive reevaluation of the reserve components of the U.S. military in which the legislature and general public soon should join. In reviewing the past several decades of heavy use of the reserve components, most notably as an integral part of recent operations in Iraq, in Afghanistan, and in the homeland, the Commission has found indisputable and overwhelming evidence of the need for change. Policymakers and the military must break with outdated policies and processes and implement fundamental, thorough reforms. Many of today s profound challenges to the National Guard and Reserves will persist, notwithstanding force reductions in Iraq and Afghanistan. The need for major reforms is urgent regardless of the outcome of current con icts or the political turmoil surrounding them. The Commission believes the nation must look past the immediate and compelling challenges raised by these con icts and focus on the long-term future of the National Guard and Reserves and on the United States enduring national security interests. In our nal report, the Commission rst assesses the necessity,...
