Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE BIG TOUR

Berkley, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: This is not your parents' golf game. Duff Colhane has just won his first professional golf tournament. It should be the celebration night of his young life. But he'll be spending it in Miami Federal jail. Son of a barroom-brawling Montauk fisherman, Duff came across as a gentleman born to wealth and privilege. A brash, cocky golden boy and darling of the media they compared to Nicklaus. Golf was his greatest pleasure in life, the one thing he did perfectly, a poor boy's ticket out - pure. Until he saw it played like a rigged game on grass where the only rule was not getting caught and the big money was for the taking. But after a golf lesson Vegas Mob-style all-but-shatters his pro dreams, Duff struggles desperately to regain the old form only he believes he can recapture. An unscrupulous Dr. Feelgood prescribes a witches' brew of performance-enhancing drugs, and Duff is bankrolled by his high school sweetheart - a model with no portfolio but plenty of cash and cocaine - and some very dangerous friends. If steroids and drugs don't put an end to Duff-she and the Feds will.
