Chipmunkpublishing, United Kingdom, 2006. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.by Stephen Drake ISBN: 978 1 84747 001 0 Published: 2006 Pages: 27 Description This is the true story of a young man who suffers from obsessive compulsive disorder(OCD). This condition drives him to crime and to periods in custody. The author writes with vigour of his dealings with other people, especially in a young offender s institution. This is a raw book, and the prose style mirrors that rawness. Stephen has a terrible fear, among others, of harming an elderly lady. Having to continually check that each and every elderly woman he passed in the street or came into everyday contact had not suffered at his hands. He had no urge to harm them, he just had terrible fears that he might. He was obsessed with not being responsible for any harm to an elderly lady. Life, in general society, became unbearable! He decided that prison was the answer to his prayers; a safe haven. No old women in prison! A life of crime, with little regard to detection, followed. Life in British jails as a young prisoner and terms in young offenders institutions are described. You might feel pity or, perhaps, disgust when reading his unusual, but true, story. About the Author Having written this book over a long period of time was quite satisfied with the end result! Felt the illness was described fairly well and, hopefully, life as a young offender. Book Extract He didn t care. Maybe that wasn t true. As the words of fury passed his lips his left hand grasped his right. He knew the reason - he certainly wasn t going to strike an old woman. No chance. The...
