Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Poisoned Pen Press. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 8.4in. x 5.5in. x 0.9in. Faye Longchamp has lost nearly everything except for her quick mind and a grim determination to hang onto her ancestral home, Joyeuse, a moldering plantation hidden along the Florida coast. No one knows how Faye's great-great-grandmother Cally, a newly freed slave barely out of her teens, came to own Joyeuse in the aftermath of the Civil War. No one knows how her descendants hung onto it through Reconstruction, world wars, the Depression, and Jim Crow, but Faye has inherited the island plantation--and the family tenacity. When the property taxes rise beyond her means, she sets out to save Joyeuse by digging for artifacts on her property and the surrounding National Wildlife Refuge and selling them on the black market. A tiny bit of that dead glory would pay a year's taxes. A big valuable chunk of the past would save her home forever. But instead of potsherds and arrowheads, she uncovers a woman's shattered skull, a Jackie Kennedy-style earring nestled against its bony cheek. Faye is torn. If she reports the forty-year-old murder, she'll reveal her illegal livelihood, thus risking jail and the loss of Joyeuse. She doesn't intend to let that happen, so she probes into the dead woman's history, unaware that the past is rushing up on her like a hurricane across deceptively calm Gulf waters. . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
